- \* **\$100.00 connection fee required in addition to water used.**
- \* **24 hour request is required.**
- \* Water usage will be billed to address above at the rate of \$11.00 per 1,000 gallons plus the current monthly minimum for each month the meter is installed.
- \* This permit is nontransferable and is issued only for the specified hydrant.
- \* This permit is only for use through the installed meter and at no time shall any other hydrant caps be removed.
- \* This permit is for non-potable water use only.
- \* At no time shall any hose be connected to or inserted in any vessel. An approved air gap or backflow preventer must be used.
- \* Customer is responsible for all equipment.
- \* All hydrants must be operated fully open. Flow shall be regulated by valve on hydrant meter (or damage may result).
- \* This permit is issued in good faith, and all attempts will be made to deliver required pressure and volume but in no way is a guarantee of pressure or volume.
- \* **\$500 Penalty for hydrant tampering (bypassing the meter, using a meter not issued by BCRWA, removing hydrant caps, etc...)**
